UPDATE IN PROLAPSE & INCONTINENCE Dr Bruce Farnsworth MBBS, FRANZCOG

Description: You will learn how to assess the extent and significance of pelvic dysfunction. You will also learn about the management including diagnosis, treatment and follow up of a patient with prolapse or incontinence and the potential side effect of treatment for patients.

Dr Bruce Farnsworth completed his undergraduate degree at Sydney University before taking part in the Western Sydney Obstetrics & Gynaecology Training Scheme and completing his advanced training at Royal United Hospital in Bath, UK. He is a Fellow of the Royal Australian College of Obstetricians and Gynaecologists as well as the Royal College. Dr Farnsworth is currently a visiting medical officer at Sydney Adventist Hospital, Westmead Private Hospital and Prince Of Wales Private Hospital. His practice includes pelvic medicine and surgery.

HRT UPDATE 2010 Dr Cathy Lee MBBS, FRANZCOG

Description: You will learn about the management options for menopause and the indications and contraindications of hormone replacement therapy. You will also learn about the benefits and risks of hormone replacement therapy as well as the different types of hormone replacement therapy and the different types of hormone administration.

Dr Cathy Lee completed her basic training at Westmead Hospital before completing training in Advanced Laparoscopic Training at Liverpool Hospital and Advanced Fetal Maternal Medicine Training at Mater Mothers Hospital, Brisbane. She currently attends Sydney Adventist Hospital and Hornsby Public Hospital and has a special interest in Obstetrics, Colposcopy, Laparoscopic Surgery and Infertility.

POSTMENOPAUSAL WELLBEING Dr Peter Wood MBBS, FRANZCOG

Description: You will learn about maintaining healthy bone density and appropriate screening for cancer in postmenopausal patients. You will also learn about appropriate calcium intake for postmenopausal patients.

Dr Peter Wood completed his undergraduate degree at the University of NSW before becoming a Fellow of the Royal Australian and New Zealand College of Obstetricians and Gynaecologists. He currently attends Sydney Adventist Hospital and Hornsby & Kuring-gai Hospital. Dr Wood has a special interest in routine obstetrics and gynaecology.

POSTMENOPAUSAL BLEEDING Dr Philippa Ramsay MBBS, FRANZCOG, DDU, COGU

Description: You will learn about the causes of postmenopausal bleeding and how to develop a strategy for investigation. You will also learn about the effect of Tamoxifen in postmenopausal bleeding.

Dr Philippa Ramsay trained in Obstetrics and Gynaecology at Westmead Hospital and Royal Prince Alfred Hospital. She sub-specialised in Obstetric and Gynaecological Ultrasound, and Prenatal Diagnosis at the Royal Hospital for Women and RPA. She is now a VMO in Fetal Medicine at RPA, a clinical lecturer at the University of Sydney and an examiner for the College of Obstetrics and Gynaecology. Dr Ramsay has a special interest in prenatal diagnosis, chorionic villus sampling, nuchal screening and 3D & 4D Ultrasound.
