2012 PROGRAM

BASIC ECG COURSE

- Introduction to electrocardiography
- Sinus rhythm
- Sinus, atrial, junctional and ventricular arrhythmias
- Atrioventricular blocks
- Ischaemia and the ECG

BASIC ECG COURSE DETAILS

The course is designed to cater for the needs of a variety of health care professionals, including registered nurses, paramedics and cardiac technicians. The basic ECG course is a comprehensive, one-day course conducted by registered nurses who have diverse experience in coronary care and critical care environments. The course is offered on four separate dates throughout the year.

REGISTRATION FEE

A registration fee of \$160.00 for external applicants includes course notes, morning tea, a buffet lunch and refreshments.

Registration fee includes morning tea, a buffet lunch and refreshments. Tea and coffee available from 7.30 am
Course commences at 8.00am.

ADVANCED ECG COURSE

This course is designed for the health care professional keen to further their knowledge of more complex concepts. The course further develops topics introduced in the basic ECG course including axis, pacing and intraventricular blocks.

REGISTRATION FEE

A registration fee of \$160.00 for external applicants. Registration fee includes course notes, morning tea, a buffet lunch and refreshments. Tea and coffee available from 7.30 am
Course commences at 8.00am.

Visa and MasterCard accepted.
Please make all cheques payable to Sydney Adventist Hospital.
