Training through Adventist HealthCare (AHCL)

Comprehensive educational programs have been designed to support AHCL staff, the community and other healthcare organisations.

Workshops, Courses and Conferences

San Education offers a broad range of relevant courses, workshops and conferences. Certificates of attendance and statements of attainment will be provided for your portfolio via eLearning.

RTO Courses

San College of Education is a 'Registered Training Organisation' (RTO). This RTO provides nationally recognised training offering specific Qualifications and individual 'Units of Competency', (short courses) within its scope.

RTO courses listed within this handbook are accompanied by their official course name and code. Participants who successfully complete an official RTO course will graduate with a nationally recognised qualification complying with the standards set by the Vocational Education and Training (VET) Quality Framework.

All students undertaking nationally recognised training must have a Unique Student Identifier (USI).

San College of Education requires your USI before issuing a Nationally Recognised Certificate or Statement of Attainment.

Follow this link to learn to create your USI:

<http://www.usi.gov.au/Pages/default.aspx>
